

# VICIOUS DOG ATTACK

**ON WEDNESDAY, JULY 24, 2013** MY PORTUGUESE WATER DOG, PRADA, WAS VICIOUSLY MAULED BY A PIT BULL AT THE BANK OF THE SANDY RIVER. IN THE PANIC OF THE MOMENT, I DID NOT GET OWNER INFORMATION. THIS PIT BULL IS A DANGEROUS DOG AND SHOULD **NOT** BE OFF LEASH. I HAVE BEEN COMING HERE WEEKLY FOR YEARS BUT NO LONGER FEEL SAFE AS LONG AS THIS PREDATOR IS ON THE LOOSE IN 1000 ACRES PARK.

**HELP ME** PREVENT THIS FROM HAPPENING TO YOUR DOG. THE PIT BULL IS A BLACK/BROWN MALE (?) WITH STRIPED/MOTTLED FACIAL FEATURES, ~75 POUNDS. THE PIT BULL'S OWNER IS FEMALE, WITH BLACK, SHOULDER-LENGTH HAIR IN HER FORTIES. SHE WAS WALKING WITH A FEMALE COMPANION WHOSE DOG WAS A FRIENDLY BORDER COLLIE (?) MIX.

**PLEASE CALL/E-MAIL WITH ANY INFORMATION:**
